Frederick,

Welcome to our communities.

We are anxious to start working with you on beautification projects in Westchester. and PDR.

The Westchester Streetscape Improvement Association has our monthly meetings on the second Wednesday of the month. However for this month, our meeting has been changed to the third Wednesday due to the LAX North Side EIR meeting.

Please join us on June 18 at 6:00 PM for this months meeting. We meet at the Drollinger

Properties office located at 8929 S. Sepulveda Blvd. #130. I will include you in the distribution of the agenda.

This will be a perfect opportunity to introduce you to our organization and to learn about the project we have in the community.

Looking forward to meeting you and welcome again to Westchester PDR.

President
Westchester Streetscape Improvement Association

Subject: Field Representative Introduction

Hello All,

It is a pleasure to introduce myself. I will be assuming the field duties for Westchester, Playa Del Rey and Playa Vista for Councilmember Bonin. I know the community has gotten to know and love Nate Kaplan over the years but I look forward to trying to fill his shoes and ensure there is a smooth transition as well as maintain excellent service. I have been transferred down from the northern part of the district so rest assured that you are receiving a knowledgeable deputy.

Please give me a few days to get adjusted and caught up but feel free to start contacting me immediately on pressing issues. I am eager to meet with you to introduce myself and start our working relationship. I look forward to helping improve the city and getting things done. Have a great day.

Kind regards,
